Debt Management Work Group Session

August 19, 2016

Dear Customer:

NFC's Debt Management Services Branch is hosting a Debt Management Work Group session which is currently scheduled for Wednesday, August 31, 2016.

The main topic of discussion will be the upcoming modified ABCO procedure manual.

On June 28, 2016, email requests were sent to all agency Points-of-Contact (POC) who attended the last work group session. The request asked for any updates and additional contact names of those who are interested in attending future work group sessions.

For agencies who did not receive the June email, please provide POC information (name, phone number and email address) of those who wish to attend these sessions. Please provide the POC information via email to Jefferson Autrey at jefferson.autrey@nfc.usda.gov no later than August 26, 2016. In the subject line please include the following: **"Debt Management Work Group POC"**.

An appointment with the agenda will be emailed to all POCs two days prior to the work group session.
